

NOTICE OF PUBLIC INFORMATION CENTRE #2

Preliminary/Detail Design and Class Environmental Assessment Study for Highway 49 Bay of Quinte Skyway Bridge Rehabilitation Highway 49 County of Hastings, Tyendinaga Mohawk Territory and Prince Edward County / G.W.P. 4063-10-01

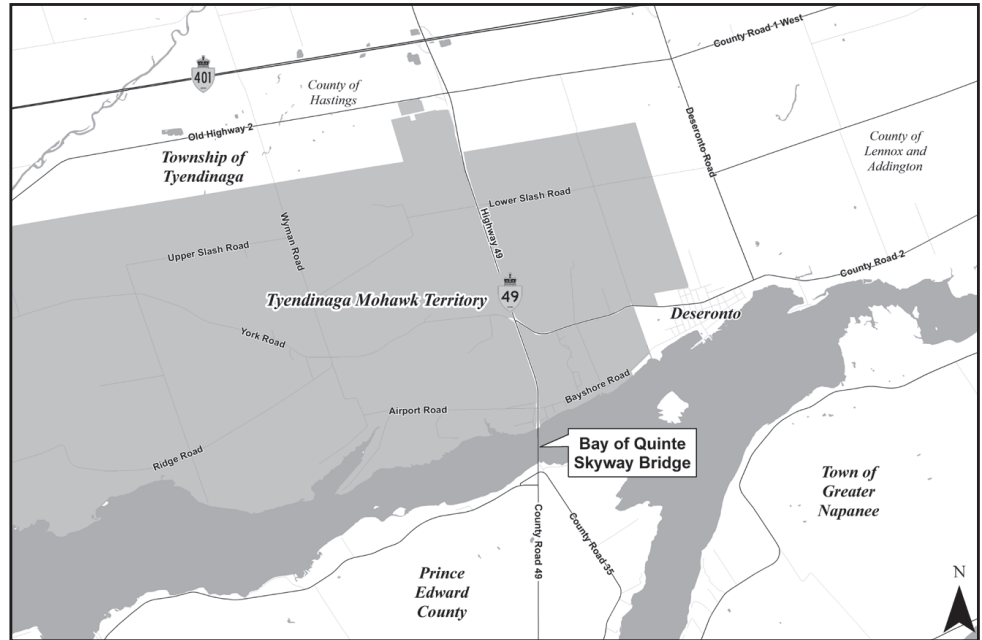

THE PROJECT

Morrison Hershfield Limited has been retained by the **Ministry of Transportation** to conduct a Preliminary/Detail Design and Class Environmental Assessment Study for the Highway 49 Bay of Quinte Skyway Bridge Rehabilitation (see Key Plan).

The goal of this study will be to recommend a preferred alternative to rehabilitate the Highway 49 Quinte Skyway Bridge structure. Construction Staging Alternatives considered include: full closure of both lanes of the bridge, partial closure (closure of one lane during construction), and single lane closure with bi-directional traffic on the bridge.

THE PROCESS

The study will follow the approved planning process for a Group 'B' project in accordance with the *Class Environmental Assessment for Provincial Transportation Facilities (2000)* with the opportunity for public input throughout the study. A Transportation Environmental Study Report (TESR) will be prepared and made available for a 30-day public review period. Advance notice of the TESR review period will be placed in this publication and mailed to individuals and organizations on the project's stakeholder mailing list, once details become known. Study information will also be posted on the project website at www.hwy49quinteskyway.ca.

PUBLIC INFORMATION CENTRE

A Public Information Centre (PIC) is being held to provide the public and other interested stakeholders with an opportunity to review, discuss and provide input on the study with members of the Project Team. The purpose of the PIC will be to present background on the study and the study process, the results of the first Public Information Centres, the evaluation of alternatives and the preferred alternative. This is the second and final PIC held for this study. The PIC will follow a "drop-in" format and will be held on:

Date: Tuesday, April 11, 2017
Time: 5:00 p.m. - 8:00 p.m.
Location: Prince Edward County Community Centre - 375 Main Street, Picton

COMMENTS

We are interested in hearing any comments or concerns that you may have with the study. For further information or to be added to the project mailing list, please contact:
