170 North Front Street, Unit 4B, Belleville Ontario
Ph: 289.813.7201

Contract 2017-4047 Closure Notification 12

The Ministry of Transportation's Contractor, Aecon Construction, has been working over the past few months on the rehabilitation of the Highway 49 Bay of Quinte Skyway Bridge.

Due to the recent weather impacts and required construction activities to be completed to ensure the contractor remains on schedule for the 2019 construction season, construction activity will continue until December 21, 2018, weather dependent.

Highway 49 traffic over the bridge should see daily single-lane closures, weather permitting no later than December 21, 2018. Traffic will be controlled by Automated Flagger Assistance Devices.

To ensure the safety of workers and the travelling public, no lane closures will be in place should there be inclement weather.
